

MINUTES OF CROW MEETING 19th June 1991 Clifton Arms

Present: Steve, Richard, Clare, Annette, Phil, Mark, Dave, Roger.

RH gave SD 2 cheques received for the Wokefield and Dinton tasks, to pay in. SD gave the current account balance as £223, excluding these cheques.

SD suggested a £1.00 membership subscription fee, though this was not thought practical owing to the 'irregular' membership the group experiences.

AW will update the circulation list.

More posters now need to be distributed. MS suggested using community and sports centres for poster placement. CB/RH will do Rivermead, Rabsons, Palmer and Meadway sports centres.

Idea of offering lifts to volunteers on work days was brought up. This may be incorporated into the next newsletter to be produced by RH.

SD has contacted 'Whats On' about July/August CROW events.

MS will be doing CROW press releases for future tasks.

The display boards will be reviewed with a view to revamping them, bringing them more up to date and relevant to CROW since we now have more material.

FUTURE TASKS:

SD suggested increasing the number of tasks to 2 per month.

This was agreed a very good idea and will start from September.

Every alternate task from September to the end of the year will be within Reading Borough and will be led by either CB or RH providing they are clear to drive the necessary vehicles.

Phil Allen was suggested as official CROW treasurer. He accepted the post and thus is now to act in that capacity.

Phil will lead the CROW task on 11/9/91 at Stratfield Saye (bridge building)

A cheque for £14.99 was given to Phil to cover expenses at Finchampstead.

AW is to be kept informed about details of future tasks, especially meeting points.

Next Meeting: Tuesday 20th August 1991
