

CROW MEETING 17TH NOVEMBER 1992 TOWN HALL BAR

Present: Mark, Richard, Clare, Sue, Matthew, Roger, Richard Coles

1. Moor Copse Task.

Mark reported that this task had gone very well, with around 14 people attending. There is now only 'heavy' tree work left at this site, and therefore calls for an experienced leader if CROW are to do further tasks here.

2. Future Tasks:

The following dates were arranged for the Spring '93 programme after it was decided to revert to fortnightly tasks:

January 20th  
February 3rd (\*), 17th  
March 3rd (\*), 17th, 31st (\*)

(\*) = task in Reading Borough

Richard/Clare to organise and lead RBC tasks, Mark to arrange tasks for remaining dates. Tasks to be arranged ASAP (by Xmas) for inclusion in next newsletter.

3. Training:

A need for training co-ordination was identified. All future requests for training are to be discussed between Richard and Mark prior to approval, with Phil being kept informed of anticipated funding.

4. Newsletter:

Richard asked for contributions for the next newsletter, which will hopefully be out by mid January. Richard will contact Penny to see if she's happy to help in production.

Next Meeting: Provisionally Tuesday 9th March 1993. Town Hall Bar
